

Our Mission

To expand the capabilities, confidence, and quality of life for children and adults with disabilities by providing programs in the arts.

What We Have To Offer

AFA Choirs

Choirs in Appleton, Madison, Milwaukee, Oshkosh, and Wisconsin Rapids provide friend-and-music-making opportunities for people with and without disabilities.

Arts Education

Programming for children and adults with disabilities in visual art, dance, music, and more are led by professional teaching artists around the state.

Creative Power

AFA's core program weaves together a statewide Call for Art, our annual Creative Power Awards Celebration, and the Creative Power Collection of visual art that travels to communities throughout Wisconsin.

Exhibitions & Artists

Both emerging and professional artists with disabilities are provided with opportunities to show and sell their work, with artists retaining 70% of each sale.

Professional Development

Educators, artists, and care partners learn best practices and tested teaching techniques from our experienced Teaching Artists.

SPARK!

SPARK!, a national arts and culture program for people with memory loss and their care partners, is offered free of charge by AFA in Dane County.

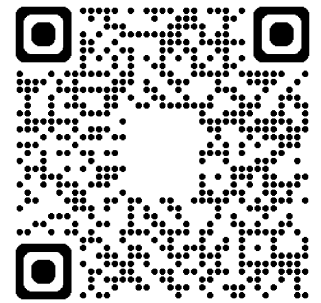

Veterans Arts Studios

In partnership with Wisconsin Vet Centers, we engage veterans in healing through creative exploration.

Arts for All Wisconsin, formerly known as Very Special Arts or VSA Wisconsin, is a statewide arts organization that serves children and adults with disabilities. Since 1985, we have been guided by our understanding that the arts build bridges between people, support physical and mental wellness, and celebrate diversity in our community.
